

IMPORTANT COVID-19 COPAY UPDATES

The EPIDIOLEX® Copay Savings Program is expanding to better support eligible patients in response to the COVID-19 pandemic

No copay

for first-time prescriptions or refills filled between April 1, 2020 and December 31, 2020*

No limit

to the amount qualifying patients may receive to help meet copay costs for the remainder of 2020*

To qualify for this program, you must meet the following criteria[†]:

- You must have a valid prescription for EPIDIOLEX from a licensed prescriber
- Your legal residence must be in the United States with a US mailing address (no PO boxes)
- You must have commercial insurance and not be receiving coverage for EPIDIOLEX through a Federal healthcare program (eg, Medicare, Medicaid, TRICARE, Department of Defense, or Veterans Affairs programs, including Medicare Advantage and Medicaid managed care plans)
- Certain state restrictions may apply based on where the prescription is filled

*On January 1, 2021, the original copay program will resume where qualifying commercially insured patients will pay as low as \$0 for the first prescription and as low as \$25 for each additional 30-day prescription and qualifying patients may receive up to \$3,000 annually to help meet copay costs.

[†]This offer is subject to change or discontinuation without notice.

For healthcare professionals and office staff:

Help to ensure that eligibility for the copay savings program is assessed for all of your patients.

Please include this sheet with the documents you send to the specialty pharmacy to process a new prescription.

For patients and caregivers:

Take advantage of copay savings. Ask your specialty pharmacy about your eligibility for the copay savings program or if you have questions about the changes above.
