- You must have commercial insurance and not be receiving coverage for EPIDIOLEX® through a Federal healthcare program (eg, Medicare, Medicaid, TRICARE, Department of Defense, or Veterans Affairs programs, including Medicare Advantage and Medicaid managed care plans)
- Your out-of-pocket cost for a 30-day prescription must be more than $25
- Certain state restrictions may apply based on where the prescription is filled

†This offer is subject to change or discontinuation without notice.

For healthcare professionals and office staff:
Help to ensure that eligibility for the Copay Savings Program is assessed for all of your patients.
Please include this sheet with the documents you send to the specialty pharmacy to process a new prescription.

For patients and caregivers:
Take advantage of copay savings: Ask your specialty pharmacy about your eligibility for the copay savings program when they contact you.
Don’t have this sheet with you? No problem. If you’re eligible, your pharmacist can apply your savings anyway. Just ask.
